

TIME SAVING PROTECTIVE PRODUCTS

ECONORUNNER PG 04

Non-porous top surface prevents spills from penetrating—saving cleanup time—and the unique coating keeps EconoRunner in place for time-saving installation. Best of all, protect your work with EconoRunner and you'll stop wasting time explaining how "repaired" is just as good as "new."

ZIPWALL® SYSTEMS PG 16-18

Stop wasting time with framing, tape, furring strips, glue, staples, and ladders. The ZipWall system's spring-loaded poles, accessories, and zippers allow you to create an accessible workspace dust barrier up to 20' tall in minutes.

PRO-VENT PG 20

Cover register openings while still allowing airflow. No more time wasted cleaning ductwork or chasing down strange odors and noises. Pro-Vent vent covers are reusable, customizable, and convenient.

BEST VALUE IN REUSABLE PROTECTION

- Economical padded protection for just about any surface
- Reverse wound for easy application
- Non-porous top surface prevents liquids from penetrating
- For maximum protection against liquid and paint spills, tape seams with ST-03 Seam Tape

Padded protection is ideal for dry and cured hardwood, stone, tile, counters & table tops.

ITEM NO.	DESCRIPTION	SQ. FT.	WEIGHT	RETAIL PRICE	DIRECT PRICE

ABSORBENT FABRIC WITH A NON-SLIP BACKING - OUR MOST DURABLE SURFACE PROTECTION

- Non-adhesive, non-slip protection for hard-wood, marble, granite and most stone floors
- Also use to protect concrete, vinyl, tile, terrazzo and other hard surfaces
- Reverse wound for easy application
- Virtually maintenance-free
- Available in gray or brown fabric

Dura Runner Plus is tough & absorbent. Protect surfaces not only from dirt and grime, but also from oil drips & grease.

HEAVY-DUTY ECO-FRIENDLY FLOOR PROTECTION

- 45 mils thick for extra protection and durability
- Rolls out like paper and protects like hardboard
- Water-resistant and non-staining
- Reusable & recyclable
- Ideal for wood, concrete, marble, stone, tile, laminate and vinyl flooring
- FlexBoard can be held in place with our 4" Blue Masking Tape and seamed with our 4" Yellow Tape.

Heavy-duty and water-resistant. Made from 100% recycled materials so your job site is more environmentally friendly.

Floor Protection is not recommended for Hardwood and Natural Stone Floor – See Hardwood Protection, Dura Runner Plus or Econo Runner.

CLEARLY THE BEST HARDWOOD PROTECTION YOU CAN USE

- Heavy-duty clear vinyl stays in place without adhesives
- Stronger, better than rosin paper
- Specifically designed to protect hardwood floors – saves cleanup time & is reusable for additional cost savings

For large areas,
use ST-03 Seam Tape
to cover & protect seams.

Clear Hardwood Protection is ideal for use in model homes & home tours. The beauty of the floor can be appreciated and at the same time is totally protected.

THICKEST, TOUGHEST
PROTECTION AGAINST
SCRATCHES, NICKS
& ABRASIONS

- Protect tubs, whirlpools and shower stalls
- Thick water-based coating dries to a durable “protective skin”
- Formulated for professional use, Scratch Protection is easy to apply and, more importantly, easy to remove
- Can be sprayed on with proper equipment

Before applying Scratch Protection, use Trim Protection (page 11) to mask and protect chrome fittings.

ON THE JOB

“After being rather disappointed with the tub protection of one of your competitors, I was pleased to see how easily your Scratch Protection applied and, most importantly, REMOVED. We’ll certainly be using your products in the future.”

Mark Galezo, Pleasantville, NY

SP-01	One Gallon (Includes FREE Roll of TP-1 Trim Protection!)	10 lbs.	\$59.00	\$49.90
SP-05	Five Gallons	44 lbs.	\$265.00	\$224.90

DURABLE PVC TAPE - BETTER THAN MASKING TAPE AND DUCT TAPE

- Easy-to-use PVC Tape offers long-lasting protection
- Protect thresholds and aluminum or vinyl clad door and window trim
- None of the residue problems associated with conventional (duct) tape
- Available in widths from 1" to 12"

Combine Trim Protection with Glass Protection for edging paint and EIFS systems. Also use with Scratch Protection to protect chrome fittings and for masking.
